Subject: Request for Support and Permission for CBIT Student Corner Website

Respected Sir,

We, G. Saikiran (232P1A0552), C. Abbas (232P1A0534), and K. Bhavana (232P1A0588), from the CSE Department at CBIT, have developed a website, **"CBIT Student Corner"** (**https://cbit.netlify.app/**), to provide students with academic resources like question papers, study materials, syllabi, and notes for all departments.

To make it more effective, we kindly request:

1. All respective departments provide their materials so we can update the website with the latest content, making it useful for students across all departments.
2. Approval to make it an official CSE resource.
3. Permission to share it with all CBIT departments.

This initiative aims to benefit students.

Thanking you,

Yours sincerely,
G. Saikiran (232P1A0552)
C. Abbas (232P1A0534)
